## ANNOUNCEMENT

### **CYPRUS INSTITUTE OF NEUROLOGY AND GENETICS (CING) POST-GRADUATE (MSc) SCHOLARSHIP FOR THE ACADEMIC YEAR 2024/2025**

The Cyprus Ministry of Foreign Affairs and the Cyprus Institute of Neurology and Genetics (CING) are informing of up to **three (3) postgraduate (MSc) scholarships** for the academic year 2024-2025.

Each scholarship covers:

1. Full tuition fees (€8,000) for citizens who will apply and be accepted to the CING based on academic criteria. The candidates will be evaluated on their academic qualifications, provided they fulfil the CING entry requirements.
2. Stipend to cover accommodation and living expenses in Cyprus. A minimum stipend of €1375 will be offered to every successful student. The stipend can be increased up to €8000/student depending on the availability of funds. All students will be informed upon acceptance to the CING

CING applies international standards of excellence in its curriculum. It serves as a Centre of Excellence and a Referral Centre for Basic and Applied Research in Biomedical and Clinical Sciences. Our dynamic range of programmes includes the innovative disciplines of Neuroscience, Molecular Medicine, Medical Genetics, Biomedical Research and Biotechnology,

disciplines sought after and very popular for students in Biomedicine. Students enrolled at CING benefit from the dynamic setting and have a unique

opportunity to be trained in a real working environment and be mentored by leading scientists in CING's fields of expertise.

Available MSc Programmes funded by this Scholarship Scheme are:

1. MSc in Molecular Medicine
2. MSc in Medical Genetics
3. MSc in Neuroscience
4. MSc in Biotechnology

All programmes are accredited by the Republic of Cyprus, the European Union countries and other third countries.
