

SECURITY TIPS FOR MEMBERS OF STAFF OF KYUC

1. Security is a personal initiative. It starts with an individual.
2. Always let your friends/family know your whereabouts.
3. Dedicate yourself to your work and avoid risky side businesses.
4. Keep important contacts including those for relatives, doctor, solicitor, close friends within reach.
5. Never drink and drive. Be ware of the prevalent lacing of drinks with harmful substances in the social places.
6. Where possible avoid staying out late in the night .
7. Choose the company you keep carefully.
8. Always avoid venturing in areas already identified as crime prone.
9. Always be suspicious of strangers getting too much involved in your activities.
10. Avoid isolated places. Use routes/roads which are busy and well lit at night.
11. Avoid riparian areas especially during the rainy season due to swollen rivers.
12. Where possible avoid sharing your mobile phones with strangers.
13. Avoid walking on areas designated for vehicles/motor cycles.
14. Always listen to wise counsel, observe university college code of conduct and above all obey all Kenyan laws.
15. Where possible avoid overcrowded areas including social places. Avoid visiting shopping malls during the “rush hours”.
16. Always report any suspicious person/ activity to the local police.
