

SECURITY TIPS FOR KyUC STUDENTS'

1. Security is a personal initiative. It starts with the individual.
2. Whenever possible never walk alone. Consider a buddy group as central to your security.
3. Always let your friends know your whereabouts. Let them know your residence.
4. Dedicate yourself to your studies and avoid risky side businesses.
5. Keep important contacts including those for relatives/guardians, administration representatives in your wallet /purse.
6. Never venture out of your residences if it is late in the night unless under special circumstances. Students are advised not to venture out of their residences after 8.00pm.
7. Choose the company you keep carefully.
8. Always avoid venturing in areas already identified as crime prone.
9. Always be suspicious of strangers getting too much involved in your activities including taking gifts from them.
10. Avoid isolated places. Use routes/roads which are busy and well lit at night.
11. Avoid riparian areas especially during the rainy season due to swollen rivers.
12. Keep your valuable items in a lockable place. Avoid flaunting cash to avoid being marked.
13. Avoid walking on areas designated for vehicles/motor cycles.
14. Always listen to wise counsel, obey university college rules and regulations and above all obey all Kenyan laws.
15. Avoid overcrowded areas including social places where possible. Be ware of the possibility of your drink being laced with harmful substances in the social places.
16. Report suspicious persons/activities to the administration representative/police.
