CREATING A MASOMO ACCOUNT

1. All students are required to create accounts on the Masomo portal with a valid KyU Email address (@students.kyuc.ac.ke). Visit the university website (www.kyu.ac.ke) and click on Masomo on the top right corner as shown below.
2. A new Window will open. Click on the green arrow button to create an account before login in as shown below.
3. Carefully read the instructions on the right side and click on create new account
4. Fill in all the details as shown below and please note that all the fields marked with a red asterisk (*) must be filled in. Once you are done click on Create my new account green button at the bottom of the page.
5. After successful creation of your account you will get the following message:
6. You are required to open your students email (via gmail.com) and login using your students email e.g. xxxx.xxxx@students.kyu.ac.ke
7. Once logged in you’ll find a confirmation email from Masomo, open it, read the instructions and click on the activation link to activate your account.
8. After confirming your account you’ll be redirected to your Masomo account and now your account should be activated. The next step is to enroll for the 3 common units (Communication Skills, HIV & AIDS and Fundamentals of ICT). Search for the unit you are supposed to enroll and click on the search button as shown below.
9. The unit will be listed as shown on the screen. Click on that particular unit to open the enrollment window.
10. In the next window enter the correct enrollment key (Enrollment keys are provided on the university website) and click on enroll me button.
11. After successful enrolment you should be able to access the notes, quizzes, assignments and chat sessions as prepared by your instructor.
